Website

The website is up and operational. It is still in its early phases, but it is built utilizing cloud infrastructure, modern javascript frameworks, and implementing best development practices. This allows us to expand with minimal cost and effort. The website can be accessed at <https://www.thekentuckyparty.com>. By the end of the year we will have a member portal where users can collaborate on planks and admins can update site content.

Bank Account

We officially have a legal bank account. Thank you Geoff Young!! It goes without saying that his knowledge and hard work is highly appreciated. The growth potential has just increased exponentially. We will be setting up a gofundme, as well as putting a donation link onto the website.
